Our work is sustained by the many volunteers, staff and donors who give to us sacrificially. This year, we target to raise \$3.2 million donations to support our operations. In this light, we have organised this fundraising golf charity event to seek financial support for our growing work in the community. We currently operate in three childcare centres, three youth hubs, one student care centre, conduct character mentoring programmes, provide casework & counselling as well as financial assistance for needy families. We target to raise \$250,000 for this charity golf for our general funds.
