STAFF INSIGHTS

CHILDREN PROGRAMMES & SUPPORT – (ACTING) TEAM LEADER

I have experienced ups and downs since I started in 2013. Although there are many challenges, there has always been great joy and fulfilment in serving the children. Currently, I oversee programmes and chart plans under the Children Programmes department, such as Steady Readers and Kids Champ Club. Our programmes rely heavily on volunteers. Thus, my heart's desire is to see more volunteers step up to serve alongside us in blessing the children in our community." ~ Chua Joo Leng.

CHILDREN PROGRAMMES & SUPPORT

KIDS CHAMP CLUB

Kids Champ Club (KCC) is a character-based mentoring programme for at-risk children between 7-10 years old to help them develop good relationships, inculcate good character values and cope with socio-emotional issues. One beneficiary was Hidayat, now a Primary 5 student.

"Hidayat, 8 years old, was a beneficiary of Steady Reader's programme and later referred to KCC due to his behaviour such as impatience, lack of focus and temper tantrums. He was often bullied as well.

After attending KCC in 2015 and 2016, Hidayat has shown discipline, self-control, focus on tasks, behaves well and listens to instructions. Mr Cody

Ng, his father shared, "I'm happy that my son is now humble to apologize when he does something wrong, and would say 'Thank you' on his own accord. Hidayat grew to be more understanding and is now more confident. He hasn't missed any single lesson and is always looking forward to it. I am glad to see him grow and improve a lot in character."

The highlight of KCC during the 2016 December school holidays included a showcase cum Christmas party to celebrate the completion of the year's sessions. A total of ten families attended the fun-filled and memorable event. Activities included photo booth sessions and showing appreciation to all the KCC volunteers for their dedication. The event ended off with a re-enactment of the Christmas story.

December Youth Camp

YOUTH

School holiday was made fruitful for 32 Youths as they participated in a camp from 12 – 14 Dec. The camp's theme was 'Esprit de corps' (a feeling of mutual loyalty). With the involvement of Volunteers, the camp aimed to bond the youths from both youth hubs. During the camp, Staff had the opportunity to mentor the youths through activities like bubble soccer and barbeque. It was certainly a great time of team bonding and fun for everyone.

Awakening! Dance Graduation

YOUTH

As part of its community outreach to youth, New Life ran a second round of Dance Mentoring Programme from Sept 2016 – Jan 2017. Partnering with instructors from Distinct Creative Arts, the youths learned new dance moves and the importance of teamwork in a group choreography, while forging greater rapport with staff. During the graduation, the youths put up an astounding performance for 91 attendees! Heartiest congratulations to all graduands.

Steady Readers Camp

CHILDREN PROGRAMMES & SUPPORT

36 children attended the Steady Readers Camp on 14 Dec 2016. With the objectives of learning English in a fun way and building new friendships, staff and volunteers engaged the children through a series of games and activities. “ I will like to encourage all to “not be afraid”, to just come and serve, even in a small way ”

I had the privilege of volunteering with New Life Children & Student Care for three months. It was an enjoyable experience as the children and staff made me feel like part of the family. The children were teachable and lovable, and it was a joy to work alongside them.

I slowly learnt from New Life's mentoring culture that it was much more than just helping the kids to solve homework questions. The staff sought to build character and discipline in the kids through a supportive community. As much as I wanted to simply be the "nice teacher" during my short stint, supporting the culture at the centre was more helpful for the kids in the long run. Therefore, I tried my best to affirm, advise and correct their behaviour

while building relationships. Well, I do reckon the other teachers did that much more effectively than I did.

A little act could go a long way; so a small act of service could plant seeds in the kids who bear fruits in season. So, I will like to encourage all to "not be afraid, to just come and serve, even in a small way, you will not regret it!" - Jason Tan Zhong Sheng

You can be like Jason and invest in the lives of young ones too.
